PROFESSIONAL EXPERIENCE

Blibli.com   **Gambir, Jakarta**
IT Developer Intern   **February 2025-Present**
- Built a centralized management platform used across 60+ store branches, improving workflows for user administration, event campaigns, and reconciliation processes.
- Migrated reconciliation system from Vue 2 to Vue 3 for micro-frontend integration.
- Worked with the fulfillment team to design and implement a platform for developers to diagnose and resolve bugs, and manage logs on microservices.
- Developed backend API endpoints that aggregate error logs from 5+ microservices and external APIs for centralized monitoring.
- Created coverage tests for both frontend and backend modules to ensure reliability and code quality.

BINUS University   **Alam Sutera, Tangerang**
Laboratory Assistant   **February 2023-February 2025**
- Taught hands-on programming to 550+ students across 24 classes.
- Designed practicum case studies and evaluated student submissions.
- Contributed to projects using Unity, Electron, Next.js, React, Vite, Go, PostgreSQL, and Flask.
- Guided 60+ new assistant registrants during onboarding and lab training.
- Awarded Best Teaching Index for the Even Semester 2023/2024.

BINUS University Student Advisory and Support Center   **Alam Sutera, Tangerang**
Mentor Scholarship   **August 2023-January 2024**
- Taught freshman program design methods across 10 weekly sessions.
- Awarded a one-semester scholarship totaling 16 credits for teaching contribution.

EDUCATION

BINUS University   **Alam Sutera, Tangerang**
Bachelor of Computer Science, GPA: 3.95 / 4.00   **2022-2026**
